

Better Housing Better Health

The Warmth & Wellbeing Service

HOME ENERGY ADVICE

Better Housing Better Health (BHBH) is a service working locally to improve your domestic warmth & wellbeing. Our free helpline provides you with a single point of contact for services, advice, and financial support in order to help improve the energy efficiency of your property.

FINANCIAL SUPPORT

Our team of experts can work with households to apply for grants and funding to help with your home energy. Schemes like the Warm Home Discount can take £150 off your bills and ECO Funding can replace heating systems as well as install insulation. Call us to see if you're eligible and start the process.

WE ARE HERE.

PRIORITY SERVICES REGISTER

If you're of pensionable age, have long-term medical conditions or live with children under 5 years old, the BHBH team can assist you with checking your eligibility and signing your household up to the Priority Services Register so you find out about any issues and outages with your home energy immediately.

HELP TO ACCESS GRANT FUNDING

A trained home energy advisor can help to check eligibility and when possible, qualify you for national or regional funding for home energy efficiency measures such as loft insulation, boiler repairs or replacements, or cavity wall insulation. Smaller measures such as electric blankets or low energy lightbulbs may also be available in your area.

All advice is free, confidential, and tailored to the resident. To speak to one of the team, please call the number below weekdays between 9:00am and 5:00pm.
